

## My Amazing Teacher

My teacher is the best,  
She helps me pass each test.  
She smiles and says, "Let's try,"  
And cheers me when I'm scared

She reads us stories bright,  
And makes our face smile.  
She teaches day by day,  
In such a fun, kind way.

I'm thankful every year  
For her being right here—  
My teacher's full of cheer,  
I'm glad she's always near!  
We are all thankful for  
her and she will always be there for us.
