

Farmers Throughout Time
Cinquain Poem
Greyson Wells- Sixth Grade

Farmer.
Strong, Hard Worker.
Plowing, Seeding, Growing.
Three sisters of corn, beans, and squash.
Harvester.

Farmer.
Resourceful, Diligent.
Composting, Irrigating, Fertilizing.
Fields of crops to feed America.
Rancher.

Farmer.
Innovative, Skilled.
Scanning, Implementing, Regenerating.
Farms on Mars feed the universe.
Agriculturist.
